Vintage wedding shoot

Vintage wedding shoot, originally uploaded by Oxford Wedding Photographer -- Rosie Parsons.

Had the most wonderful shoot in Bristol this Saturday, and we couldn't have hoped for a more perfect day (well bearing in mind it's February in England!!).

I was going for a vintage theme, and we had some absolutely tremendous people involved to create these really cool 1950s style wedding portraits. Hope you enjoy!

Big, big thanks go to:

Models: Emily and Alex

Makeup: Sarah Brock, Artistic Director of Makeup for Daniel Sandler
